The McKenzie Family History

Squamish Funeral Chapel Ltd. has been meeting the needs of the Sea to Sky Corridor with its Family Owned & Full Service Funeral Home since 1967.

Our family, The McKenzie Family, has been in the funeral profession for three generations. The first generation funeral directors of our family, Don & Jessie McKenzie, started in the funeral profession in 1946 by working at local funeral homes in Vancouver & West Vancouver.

Their son, George McKenzie (2nd Generation Funeral Director), started working with his parents at their funeral home at the age of 14 answering phones and helping his parents on services at Hollyburn Funeral Home in West Vancouver.

George went on to BCIT where he received his Diploma & License as a Funeral Director & Embalmer in 1982. During his studies he received the “Professionalism Award” for his class year.

In 1988, George & his wife, Mildred McKenzie, bought Squamish Funeral Chapel & moved to the Sea to Sky Corridor.

George & Mildred have brought their own special personalized service to the corridor. They believe a funeral is similar to other ceremonies in our lives; such as a graduation ceremony, a wedding, or a baptism, a funeral is a rite of passage by which we recognize an important event that distinguishes our lives.

You can often hear them saying:

“No two people are alike, so no two funerals should be the same”

In recent years, Mildred & George’s son, Mark McKenzie, and son-in-law, Geoff Fahlman (3rd generation), have come into the business to add their own caring attributes to the families we serve. Both Mark & Geoff completed and received their funeral director licenses in 2018.

Today, we’ve gathered together a staff of highly qualified and deeply caring individuals to assist us in continuing the funeral home’s mission of providing excellence in service to families in their time of need. We’re privileged to serve hundreds of families each year.

The McKenzie Difference

WHY WE'RE DIFFERENT:

- **WE'RE AVAILABLE 24/7:** We actually mean that. No matter the time of day, our family or staff (George, Mildred, Mark, or Geoff) will answer the phone to assist you and your family at a time of need.
- **YOUR LOVED ONE WILL ALWAYS REMAIN IN OUR CARE:** When someone you love dies, you can rest assured your loved one will be brought to and cared for at our funeral home. Some funeral homes might shelter a deceased at a warehouse, not us.
- **CELEBRATION OF LIFE EXPERTS:** We've been planning meaningful & memorable celebrations of life's and funerals for decades. See how we can bring peace of mind knowing everything will be planned the way you want it.
- **PERSONALIZED ATTENTION & SERVICE:** When families choose our services, they receive our utmost attention and they will always speak or communicate with one of our family members.
